- 100% Unfined and Unfiltered

Vineyard

100% Cabernet Sauvignon

Power, power, power – this 2020 bottling of Oakville is stunning and encapsulates everything you know and love about this world class AVA. This hidden gem of a vineyard is nestled among its neighboring Cabernet Sauvignon vines at Screaming Eagle in the northernmost portion of the Oakville appellation. The Skellenger vineyard offers the richness of the Oakville valley floor with the structure of hillside fruit. These vines provided a tremendous amount of concentration from its tannins, while maintaining its richness and approachability right out of the bottle. Deep, concentrated black fruits explode out of the glass and structure that holds it all together on the palate. This wine begs to be paired with food and drinks beautifully after an hour in the decanter.
