### Tasting Notes

Our 2022 Alexander Valley Cabernet Sauvignon showcases a beautiful balance of boldness and finesse exuding a true sense of place of the two vineyard sites it is sourced from. Consisting of 100% Cabernet Sauvignon from Battle Family Vineyard and Stuhlmuller Vineyard in Alexander Valley, the different elevations, soil types and microclimates within each property make for a stunning and multifaceted Cabernet Sauvignon. With red volcanic soils in the heart of the appellation, this fruit is terroir-driven with powerful elegance and complexity. Our Winemaker Jesse Katz crafts this wine to be vibrant and fresh in style with aromas of ripe blackberries, cassis, and dark plum, intertwined with notes of cedar, dried herbs and hint of mocha. With well-structured tannins, it has a supple and velvety mouthfeel with a lingering finish making for a perfectly balanced Cabernet Sauvignon. Built to age gracefully but approachable in its youth, this wine will only continue to become more nuanced over the next decade but can be enjoyed now with decanting before enjoying.
